Words by Robert Burns

Should auld acquaintance be forgot
And never brought to mind?
Should auld acquaintance be forgot
And days of Auld Lang Syne?
And here's a hand, my trusty friend
And give a hand of thine;
We'll take a cup of kindness yet
For Auld Lang Syne.

Words by Larry Morey

Some day my prince will come,
Some day I'll find my love,
And how thrilling that moment will be,
When the Prince of my dreams comes to me.

He'll whisper "I love you,"
And steal a kiss or two,
Though he's far away,
I'll find my love some day,
Some day when my dreams come true.

Some day I'll find my love,
Someone to call my own,
And I'll know her the moment we meet,
For my heart will start skipping abeat.

Some day we'll say and do,
Things we've been longing to,
Though she's far away,
I'll find my love some day,
Some day when my dreams come true.

Somewhere over the rainbow
Way up high,
There's a land that I heard of
Once a lullaby.
Somewhere over the rainbow
Skies are blue
And the dreams that you dare
To dream really do come true.

Some day I'll wish up on a star
And wake up where the clouds are far
behind me,
Where troubles melt like lemon drops,
Away, above the chimney tops
That's where you'll find me.
Somewhere over the rainbow
Blue birds fly.
Birds fly over the rainbow
Why then oh, why can't I?

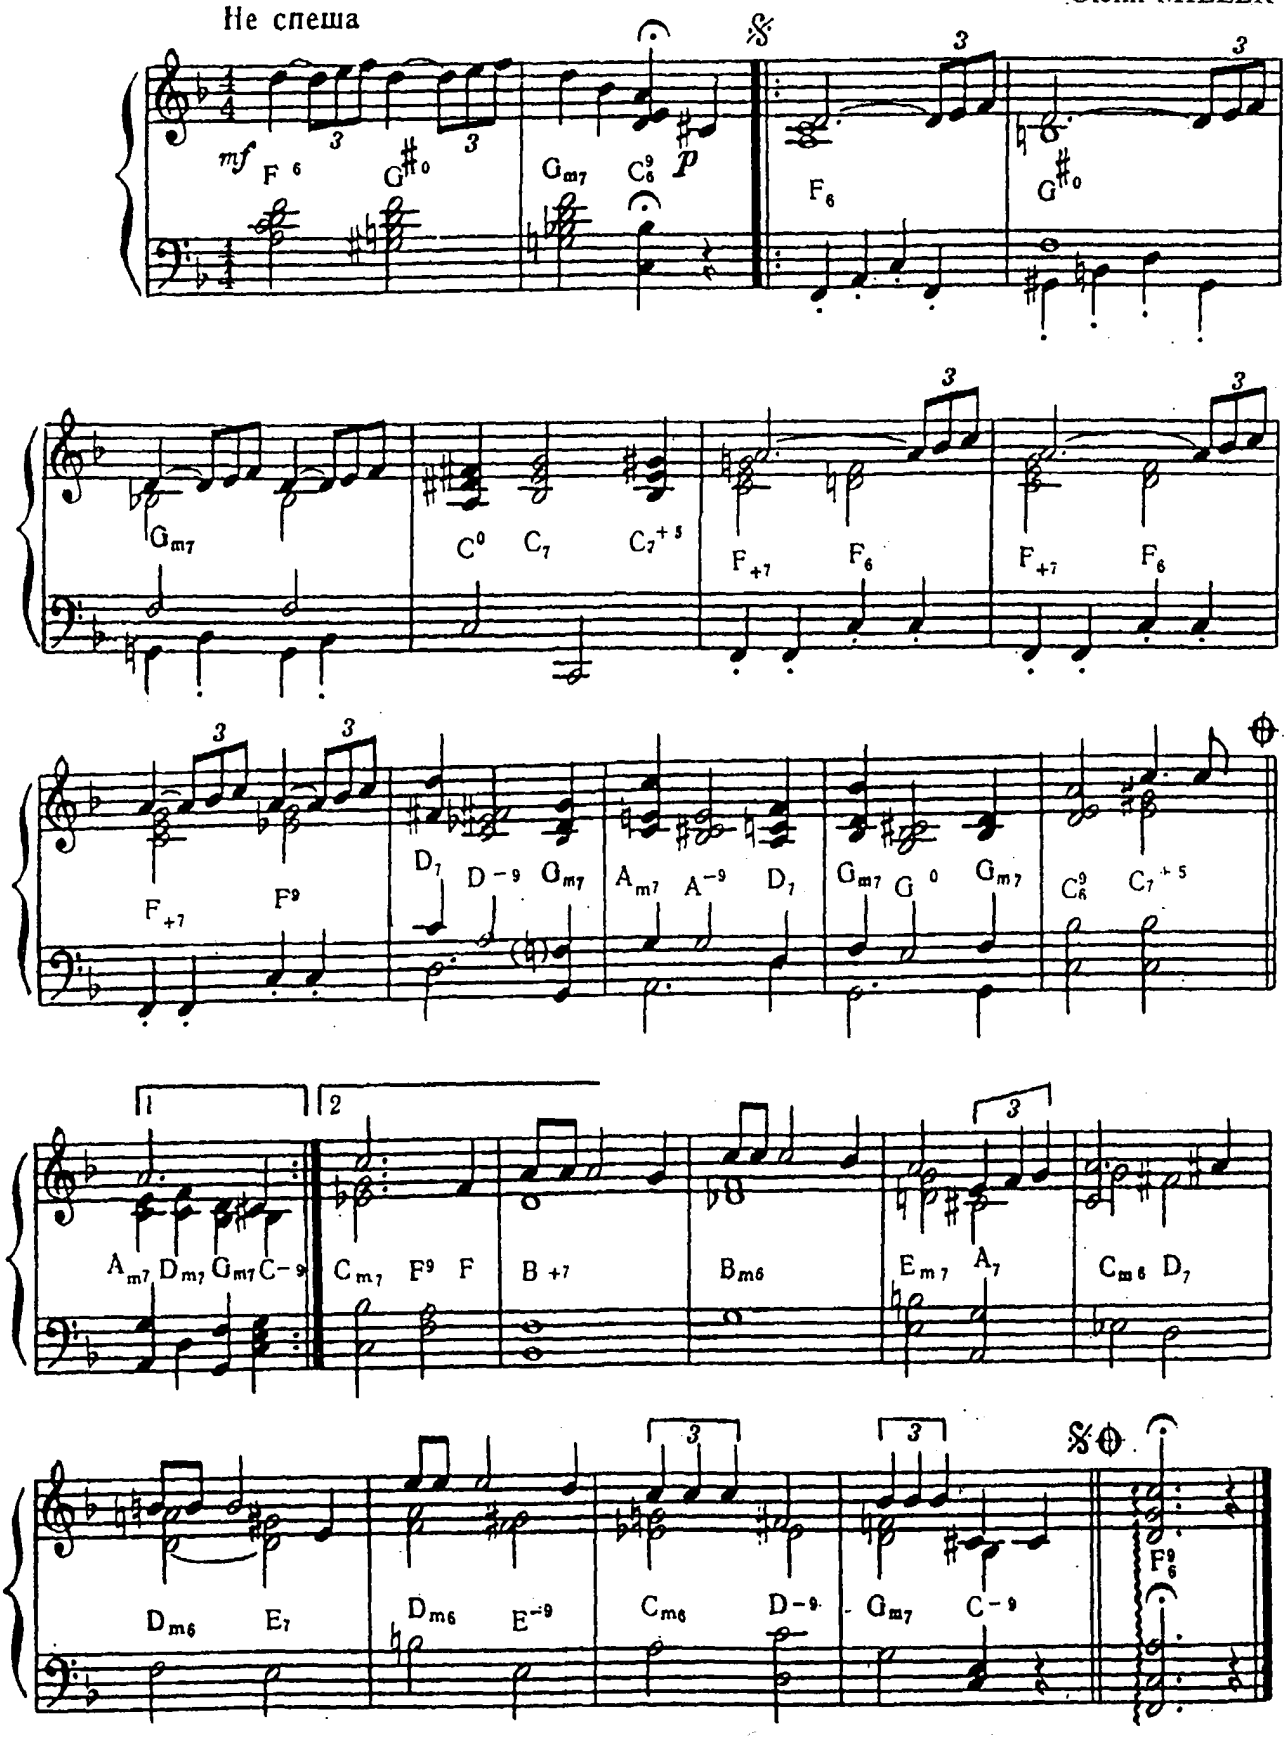
MOONLIGHT SERENADE

From *Sun Valley Serenade*

Глен МИЛЛЕР
Glenn MILLER



Words by Mitchell Parish

Stand at your gate —
And the song that I sing
Is of moonlight,
I stand and I wait
For the touch of your hand
In the June night
The roses are sighing
A Moonlight Serenade.

The stars are a-glow —
And tonight how their light
Sets me dreaming,
My love — do you know —
that your eyes are like stars
brightly beaming?
I bring you and sing you
A Moonlight Serenade.

Let us stray till break of day
In love's valley of dreams,
Just you and I, a summer sky,
A heavenly breeze kissing the trees.

So don't let me wait,
Come to me tenderly
In the June night.
I stand at your gate
And I sing you a song
In the moonlight.
A love song, my darling,
A Moonlight Serenade.

Pardon me, boy is that the Chattanooga Choochoo
Track twenty nine, boy, you can gimme a shine

I can afford to board a Chattanooga Choochoo
I've got my fare and just a triffle to spare

You leave the Pennsilvania station 'bout a quarter to four,
Read a magazine and then you're in Baltimore
Dinner in the diner nothing could be finer
than to have your ham and eggs in Carolina

When you hear the whistle blowing eight to the bar
Then you know that Tennessee is not very far,
Shovel all the coal in, gotta keep it rollin'
Woo, Woo, Chattanooga There you are

There's gonna be a certain party at the station
Satin and lace I used to call funny face

She's gonna cry until I tell that I'll never roam,
So Chattanooga choochoo
Won't you choochoo me home.

Words by Mack Gordon

Why do robins sing in December
Long befor the springtime is due?
And even though it's snowing
Violets are growing
I know why and so do you.

Why do breezes sigh every evening
Whispering your name as they do?
And why have I the feeling
Stars are on my ceiling —
I know why and so do you.

When you smile at me —
I hear gipsy violins
When you dance with me
I'm in heaven when the music begins

I can see the sun when it's raining,
Hiding every cloud from my view,
And why do I see rainbows
When you are in my arms —
I know why and so do you.

SMILE

с 2790 к

Words by John Turner

Smile though your heart is aching,
Smile even though it's breaking,
When there are clouds in the sky you'll get by.
If you smile through your fear and sorrow,
Smile and may be tomorrow
You'll see the sun comes shining through for you.

Light up your face with gladness,
Hide every trace of sadness,
Althrough a tear may be ever so near.
That's the time you must keep on trying,
Smile — what's the use of crying?
You'll find that life is still worthwhile
If you just smile.

Time will pass, I know
Tides will ebb and will flow
Tho' the seas run dry,
Yet my love cannot die,
If there's one thing real
It's this love that I feel for you.

I'll be loving you eternally,
With a love that's true eternally,
From the start with in my heart.
It seems I've always known,
The sun would shine
When you were mine and mine alone.

I'll be loving you eternally,
There'll be no one new, my dear, for me,
Tho the sky should fall, remember,
I shall always be
Forever true, and loving you eternally.

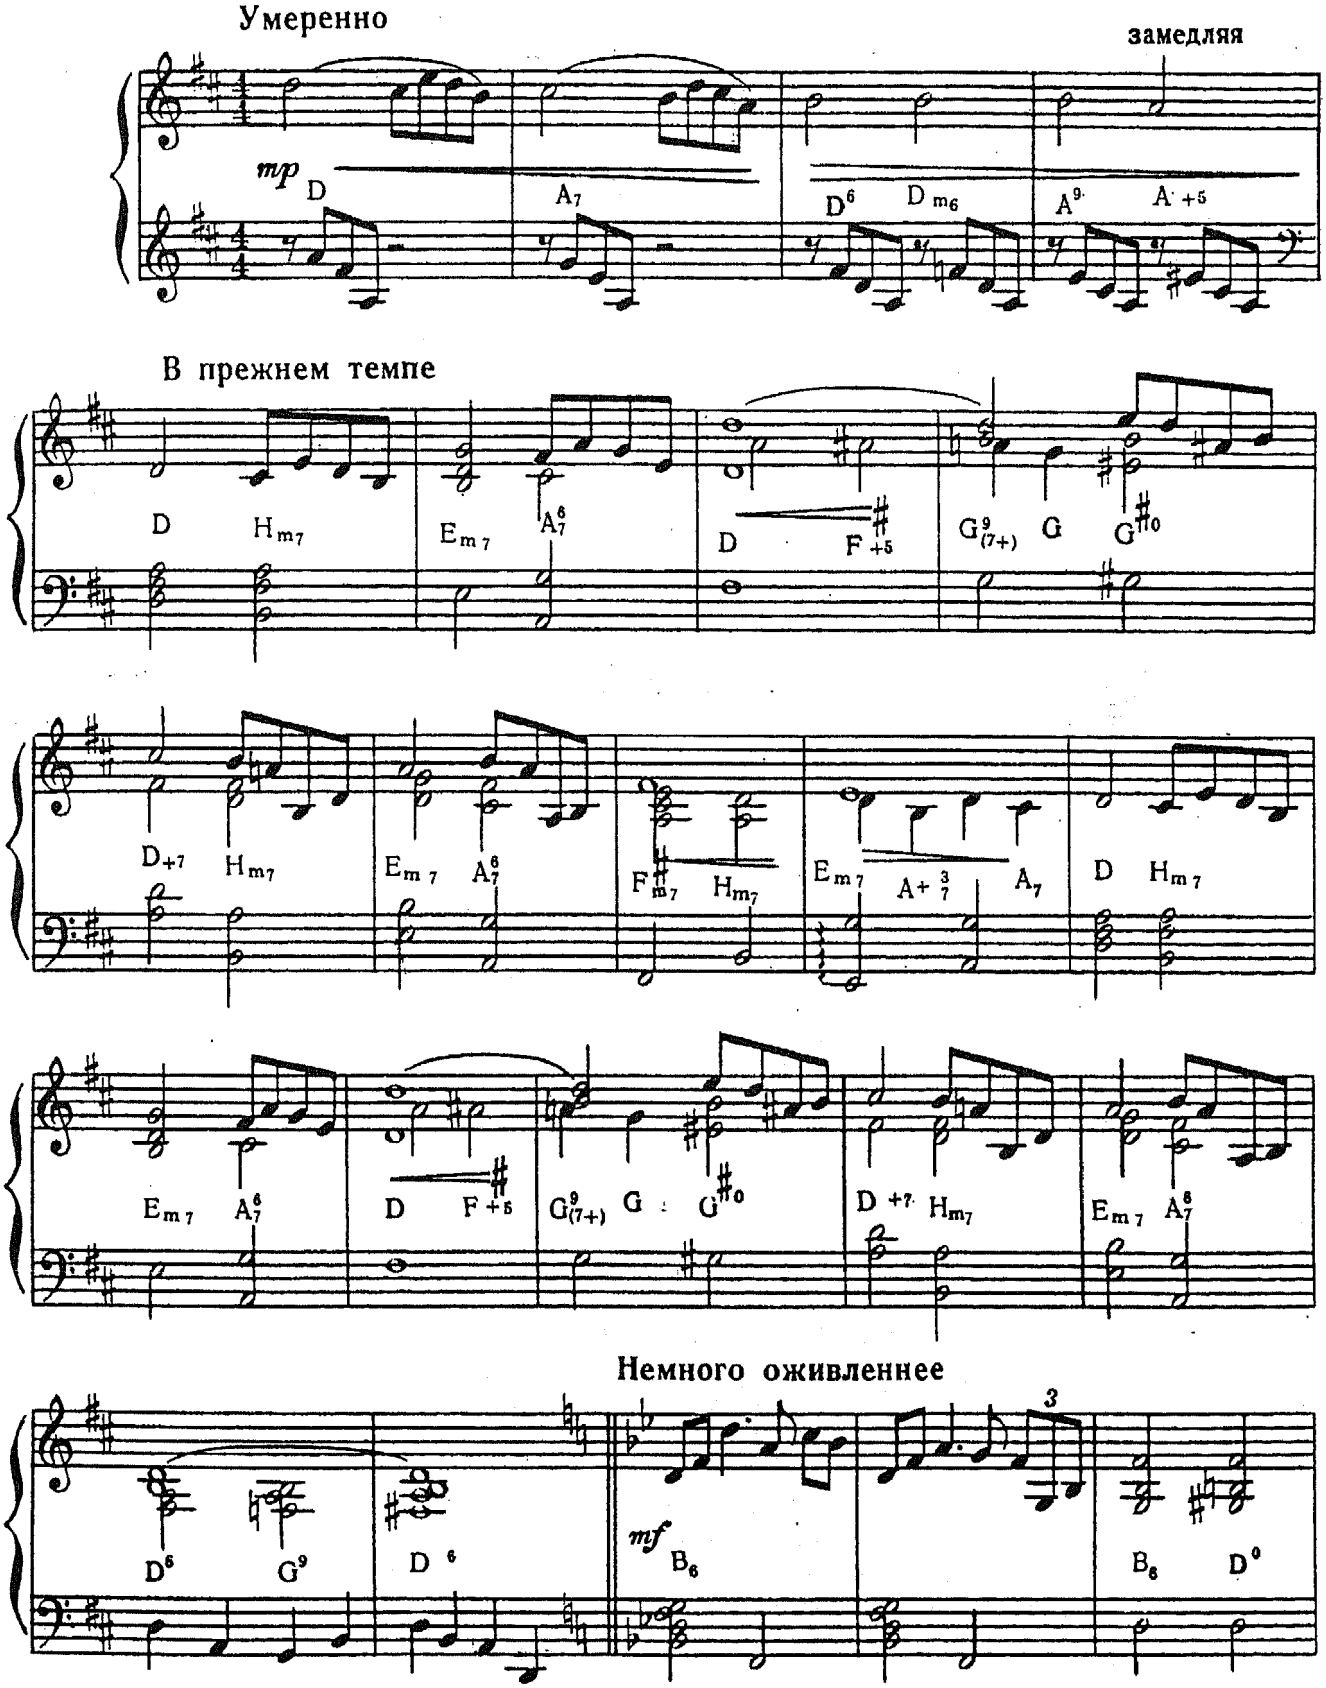
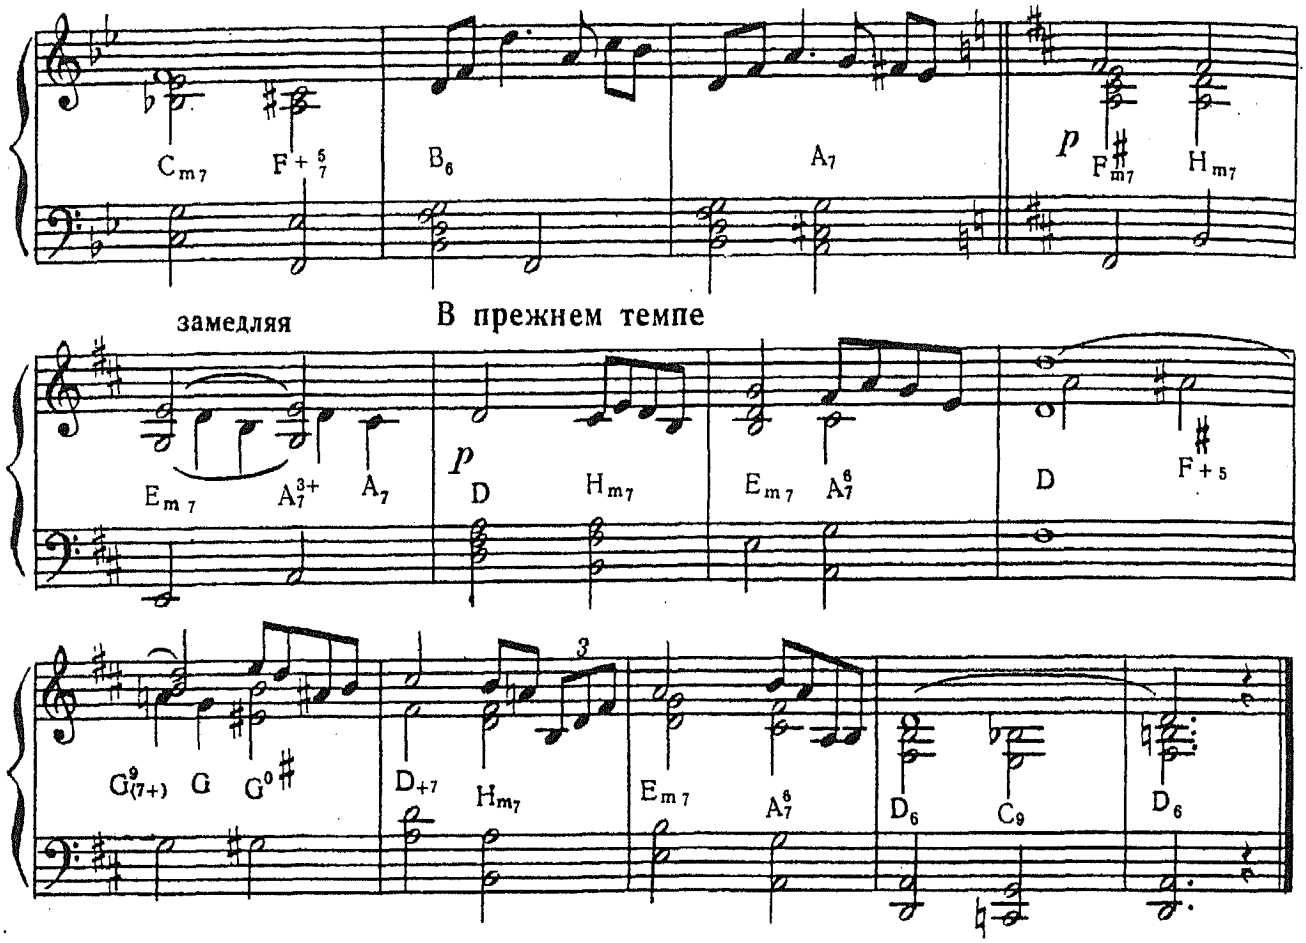
SMOKE GETS IN YOUR EYES

From *Roberta*

Джером КЕРН
Jerome KERN





Words by Otto Harbach

They asked me how I knew
My true love was true.
I of course replied,
Something here inside,
Cannot be denied.
They said someday I find,
All who love are blind,
When your heart's on fire,
You must realise
Smoke gets in your eyes.

So I chaffed them and I gayly laughed
To think they could doubt my love.
Yet today my love has flown away
I am out my love.
Now laughing friends deride
Tears I cannot hide
So I smile and say
"When a lovely flame dies,
Smoke gets in your eyes".

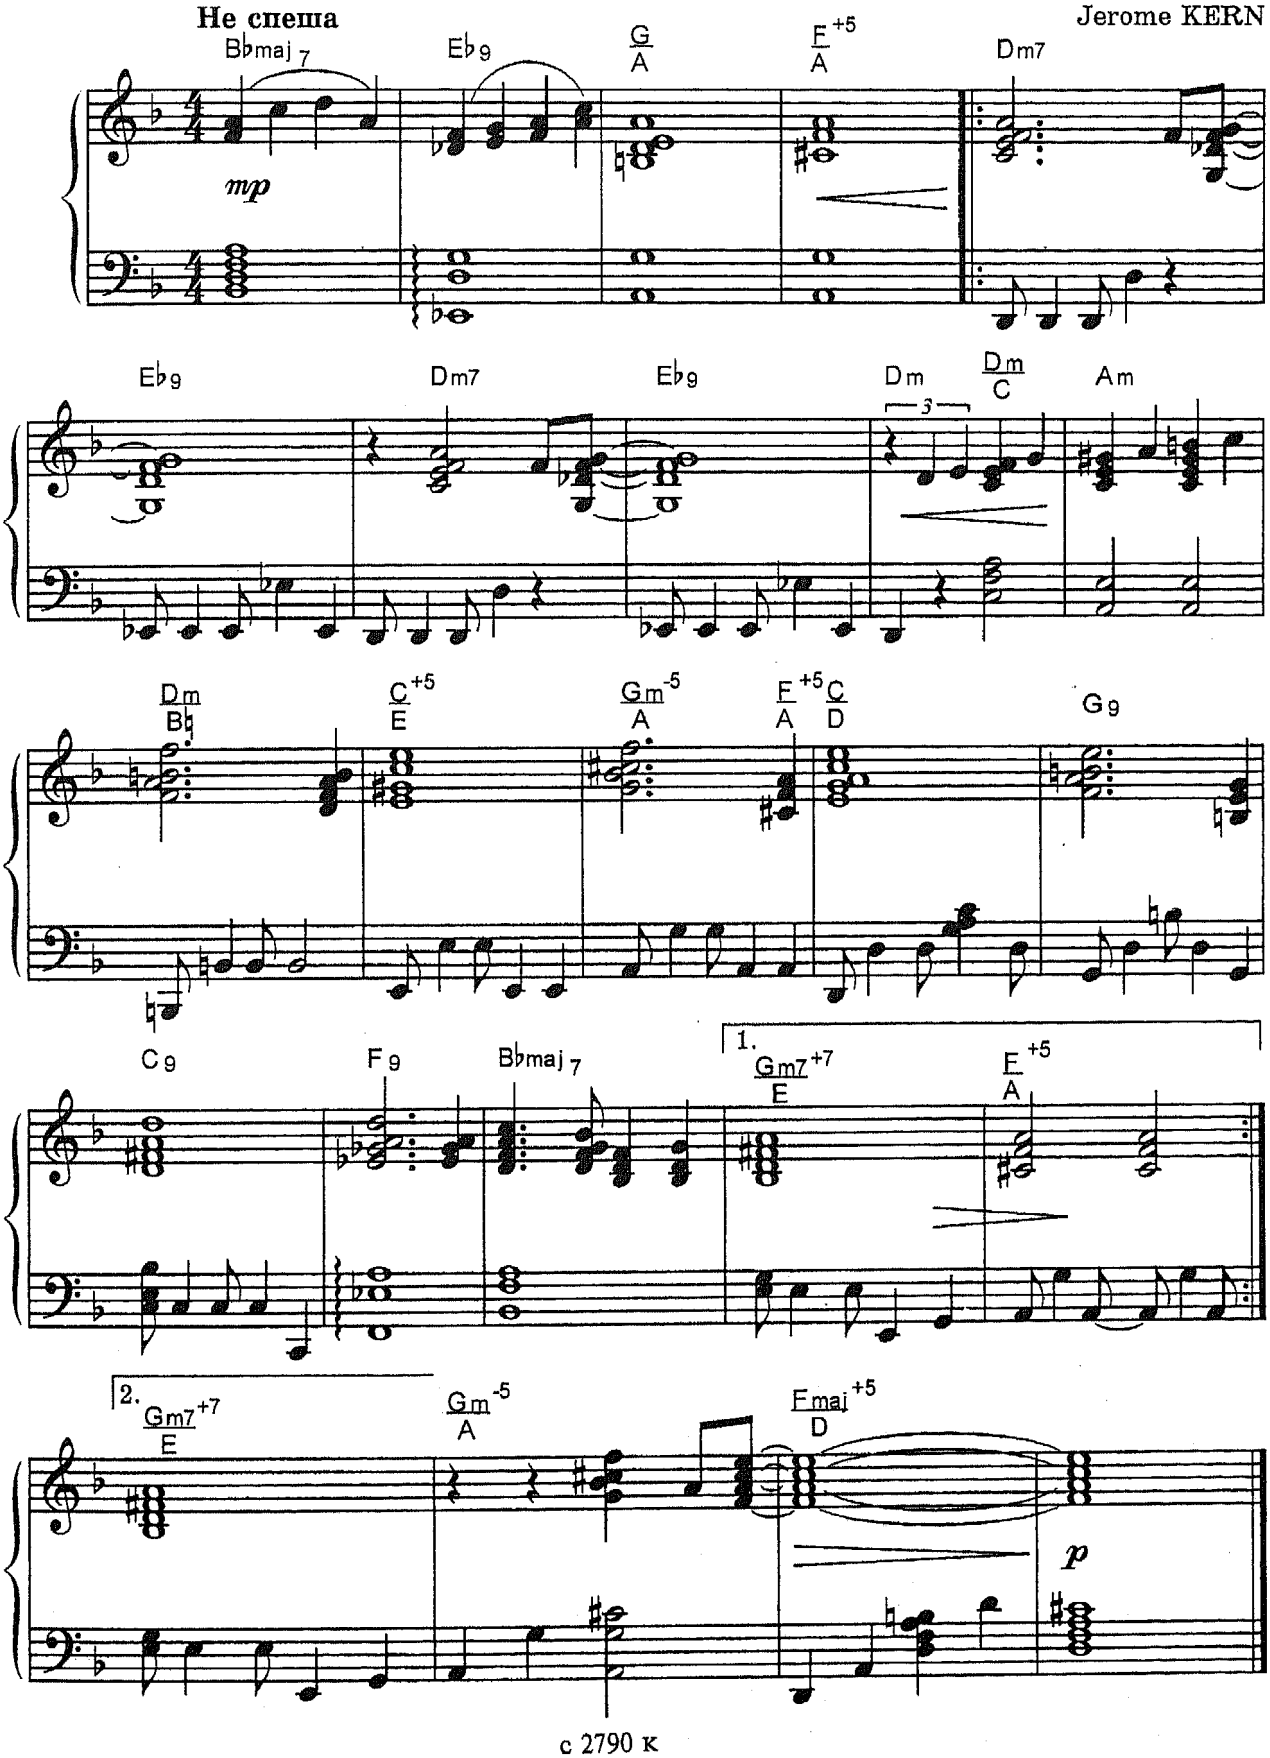
Джером КЕРН
Jerome KERN



Words by Otto Harbach

Yesterdays, yesterdays,
Days I know as happy sweet
Sequestered days,
Olden days, Golden days,
Days of mad romance and love.
Then gay youth was mine,
Truth was mine joyous,
Free and flaming life
For sooth was mine.
Sad am I, glad am I,
For today I'm dreaming
Of yesterdays.

While I give to you
And you give to me
True love, true love.
So, on and on it will always be
True love, true love.
For you and I
Have a guardian angel on high.
With nothing to do
But to give to you
And to give to me
Love forever true.

1. It's the wrong time and the wrong place,
   Though your face is charming, its the wrong face.
   It's not his face, but such a charming face
   And it's all right with me.

2. It's the wrong song in the wrong style,
   Though your smile is lovely, it's the wrong smile,
   It's not his smile, but such a lovely smile,
   That it's all right with me.

3. It's the wrong game with the wrong chips,
   Though your lips are tempting, they're the wrong lips.
   They're not his lips, but they are such tempting lips
   So it's all right with me.

4. You can't know how happy I am that we met,
   I'm strangely attracted to you.
   There's someone I'm trying so hard to forget,
   Don't you want to forget someone too?

This need that you alone create.
Just fill my arms the way you filled my dreams.
The dreams that you inspire with ev'ry sweet desire.

2. Be my love and with your kisses set me burning
One kiss is all I need to seal my fate.
And hand in hand we'll find the promised land,
There'll be no one but you for me eternally
If you will be my love.

1. You must remember this,
A kiss is still a kiss,
A sign is just a sign
The fundamental things apply,
As time goes by.

2. When two lovers woo,
They still say "I love you"
On that you can rely.
No matter what the future brings
As time goes by.

3. It's still the same old story,
A fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by.

Refrain:

Moonlight and love songs
Never out of date
Hearts full of passion
Jealousy and hate.
Woman needs man
And man must have his male,
That no one can deny.

A time to be reaping,
A time to be sowing,
The green leaves of summer
Are calling my home.

"Twas so good to be young then
In the season of plenty
When the catfish were jumping
As high as the sky".

A time just for planting,
A time just for ploughing,
A time to be courting,
A girl of your own.

"Twas so good to be young then,
To be close to the earth
And to stand by your wife
At the moment of birth".

A time to be reaping,
A time to be sowing,
A time just for leaving
A place for to die.

"Twas so good to be young then,
To be close to the earth
How the green leaves of summer
Are calling me home".

If it takes forever
I will wait for you,
For a thousand summers
I will wait for you,
'Til you're back beside me
'Til I'm holding you
'Til I hear you sigh
here in my arms.

Anywhere you wander
Anywhere you go,
Every day remember
How I love you so,
In your heart believe
What in my heart I know
That forever more
I'll wait for you.

If it takes forever
I will wait for you,
For a thousand summers
I will wait for you.
'Til you're here beside me
'Til I'm touching you
And forever more
Sharing your love.

Clock will tick away the hours one by one,
And then the time will come,
When all the waiting's done.
The time, when you return
And find me here and run,
Straight to my waiting arms.

A time for us
Some day there'll be
When chains a torn
By courage born
Of love that's free.

A time when dreams
So long denied —
Can flourish as we
Unveil the love
We now must hide.

A time for us
At last to see
A life worthwhile
For you and me

And with our love
Through tears and thorns
We will endure
As we pass surely
Through every storm

A time for us
Some day there'll be —
A new world
A world of shining hope
For you and me.

Where do I begin to tell the story of how great a love can be
The sweet love story that is older than the sea,
The simple truth about the love she brings to me?
Where do I start?
With her first hello she gave a meaning to this empty world of mine;
There'd never be another love, another time;
She came into my life and made the living fine.
She fills my heart,
She fills my heart with very special things
With angel songs,
With wild imagining.
She fills my soul with so much love
That anywhere I go I'm never lonely.
With her along, who could be lonely?
I reach for her hand,
It's always there
How long does it last?
Can love be measured by the hours in a day?
I have no answers now, but this much I can say:
I know I'll need her till the stars all burn away
And she'll be there.

Words by John Mercer

Moon River Wider than a mile
I'm crossing you in style someday
Old dream-maker, you heartbreaker
Wherever you're going I'm going your way.

Two drifters off to see the world,
There's such a lot of world to see
We're after the same rainbow's end
Waiting 'round the bend
My Huckleberry friend
Moonriver and me.

Words by Jay Livingston and Ray Evans

Dear heart, wish you were here
To warm this night,
My dear heart, seems like a year
Since you've been out of my sight

A single room, a table for one;
It's a lonesome town all right.

But soon I'll kiss you hello
At our front door,
And dear heart, I want you to know
I'll leave your arms nevermore.

Words by John Mercer

When we play our charade
We were like children posing
Playing at games acting out names
Guessing the part we play.

Oh, what a hit we made
We came on next to closing
Best on the bill, lovers until
Love left the masquerade.

Fate seemed to pull the string,
I turned and you were gone.
While from the darkened wings,
The music box played on

Sad little serenade
Song of my heart's composing
I hear it still, I always will
Best on the bill charade.

Words by Fred Ebb

What good is sitting alone in your room?
Come hear the music play;
Life is a Cabaret, old chum
Come to the Cabaret.

Put down the knitting,
The book and the broom,
Time for a holiday;
Life is a Cabaret, old chum
Come to the Cabaret.

Come taste the wine,
Come hear the band,
Come blow the horn,
Start celebrating,
Right this way,
Your table's waiting.

No use permitting some prophet of doom.
To wipe every smile away
Life is a Cabaret, old chum,
Come to the Cabaret.

Start by admitting from cradle to tomb.
It isn't that long a stay
Life is a Cabaret, old chum,
Come to the Cabaret.

For the end

Life is a Cabaret, old chum,
Only a Cabaret, old chum,
So come to the Cabaret.

Words by Paul Francis Webster

The shadow of your smile
When you are gone
Will colour all my dreams
And light the dawn.

Look into my eyes
My love, and see
All the lovely things
You are to me.

Our wistful little star
Was far too high
A tear-drop kissed your lips
And so did I.

Now when I remember spring.
All the joy that love can bring,
I will be remembering
The shadow of your smile.

RAINDROPS KEEP FALLING ON MY HEAD

From *Butch Cassidy and the Sundance Kid*

Барт БАКАРАК

с 2790 к

Words by Hal David

1. Raindrops keep falling on my head
And just like the guy
Whose feet are too big for his head
Nothing seems to fit
Those Raindrops are falling on my head
They keep falling. So I'just.

2. Did me some talking to the sun
And I said I didn't like
The way he got things done
Sleeping on the job.
Those Raindrops are falling on my head.
They keep falling.

But there's one thing I knew
The blues they send to meet me
Won't defeat me.
It won't be long till happiness steps up
To greet me.

3. Raindrops keep falling on my head
But that doesn't mean
My eyes will soon be turning red,
Crying not for me,
'Cause I'm never gonna stop
The rain complaining
Because I'm free
Nothing worrying me (3 times)

Words by Sammy Cahn

1. Three coins in the fountain,
Each one seeking happiness,
Thrown by three hopeful lovers,
Which one will the fountain bless?

2. Three hearts in the fountain,
Each heart longing for its home,
There they lie in the fountain
Somewhere in the heart of Rome.

Refrain:
Which one will the fountain bless?
Which one will the fountain bless?
Three Coins in the Fountain,
Through the tipples how they shine
Just one wish will be granted
One heart will wear a valentine.
Make it mine! Make it mine! Make it mine!

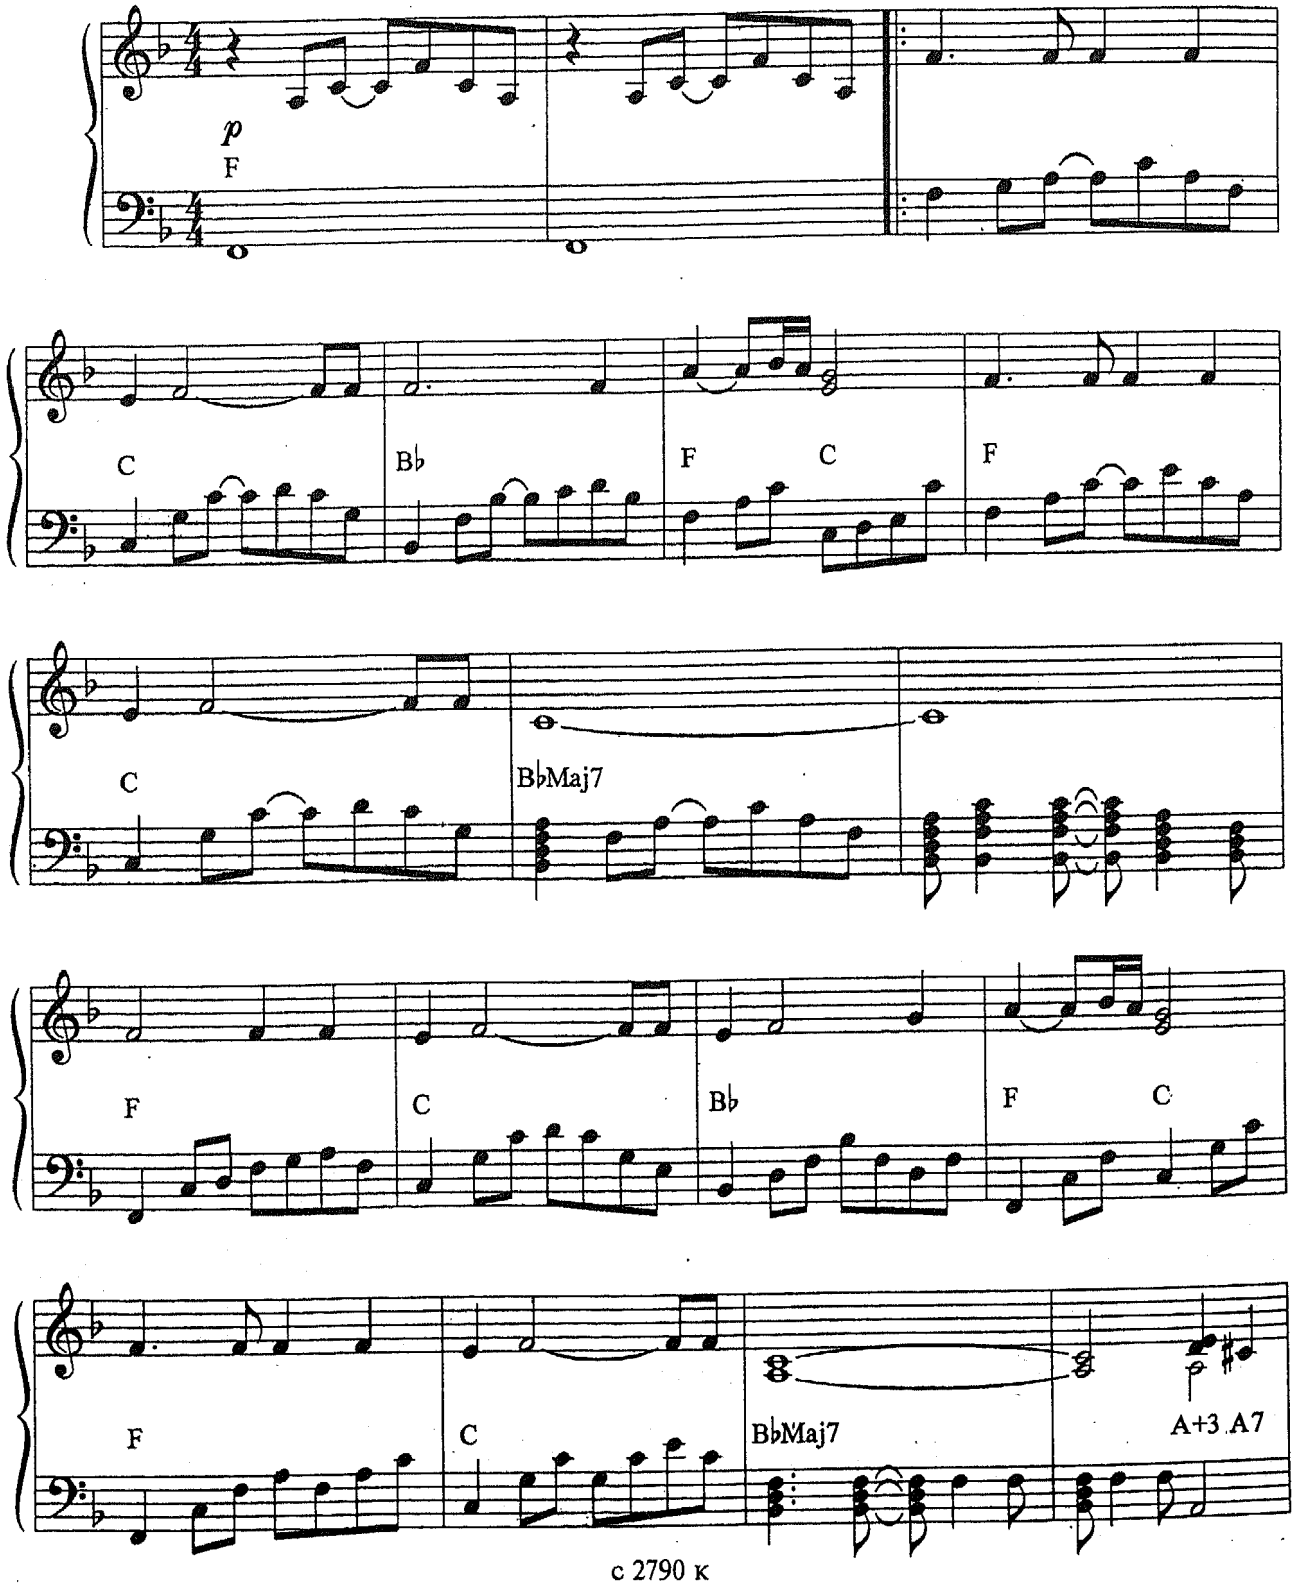
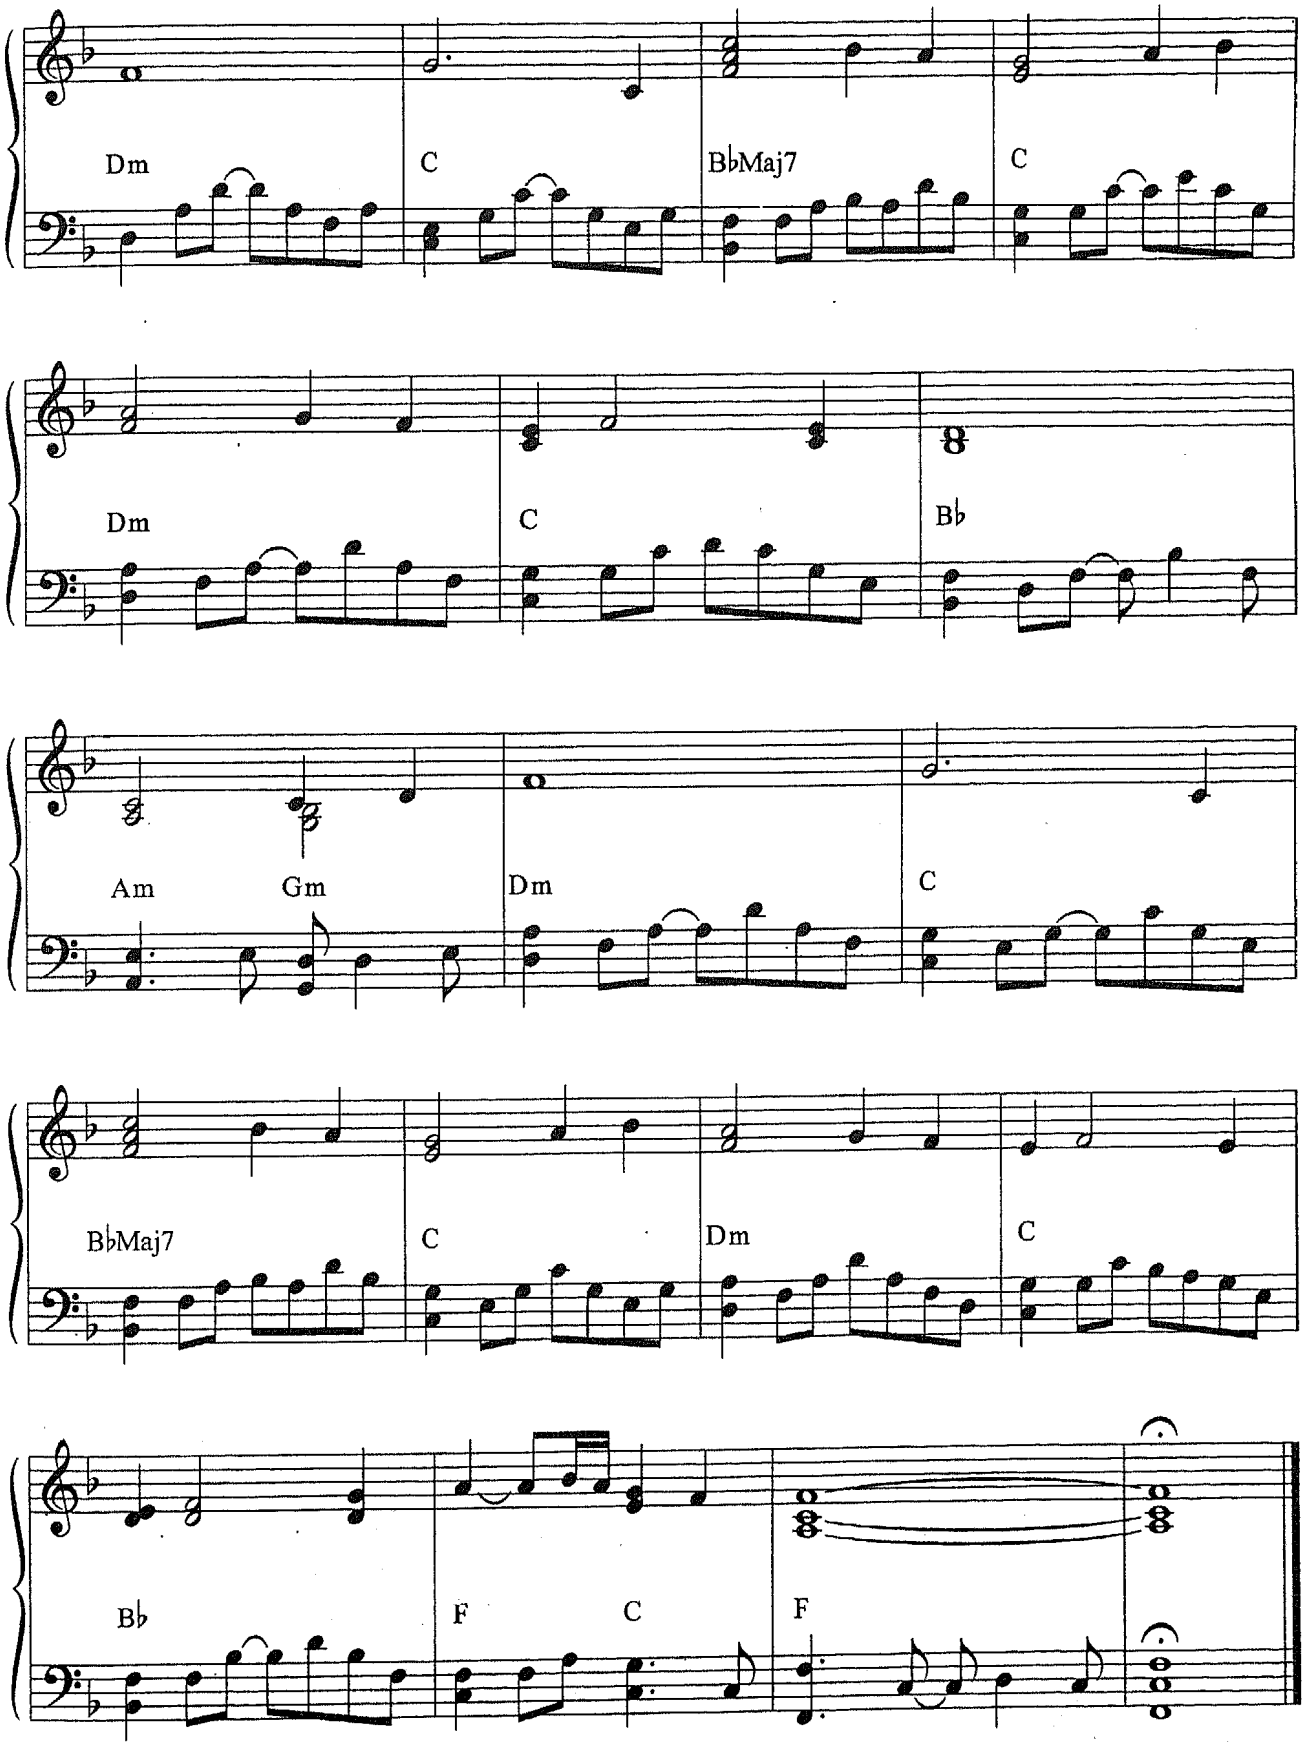
Не спеша. Спокойно





с 2790 к

Every night in my dreams I see you, I feel you,
That is how I know you go on.
Far across the distance and spaces between us
You have come to show you go on.

Near, far, wherever you are,
I believe that the heart does go on.
Once more, you open the door
And you're here in my heart,
And my heart will go on and on.

Love can touch us one time and last for a lifetime,
And never let go till we're gone.
Love was when I loved you, one true time I hold to.
In my life we'll always go on.

Near, far, wherever you are,
I believe that the heart does go on.
Once more, you open the door
And you're here in my heart,
And my heart will go on and on.

You're here, there's nothing I fear,
And I know that my heart will go on.
We'll stay forever this way,
You are safe in my heart,
And my heart will go on and on.
